

WINEBOTTLE COVER

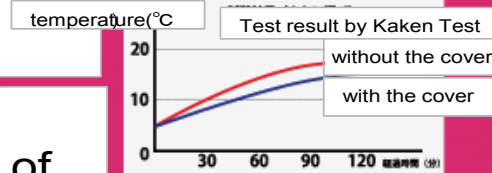

● The wine bottle cover keeps the taste of wine fresh!
Made out of wetsuit material that keeps the wine at the optimum temperature for about two hours!

● Versatile cover fits not only wine bottles but also various other kinds of bottles!

Fits bottle sizes of 680ml-1000ml, such as Shochu, whiskey, Sake, plastic bottled juice, mineral water, olive oil, soy sauce, cooking sake, vinegar, etc.

● Keeps the perfect temperature and freshness by protecting from direct sunlight!

(Please make sure if the cover fits your bottle before you buy it.)

Shown temperature changes of a 750ml bottle of white wine, with and without the cover at 25°C room temperature, after it was chilled at 5°C.
