

CLUTCH CLOTH

CLUTCH CLOTH

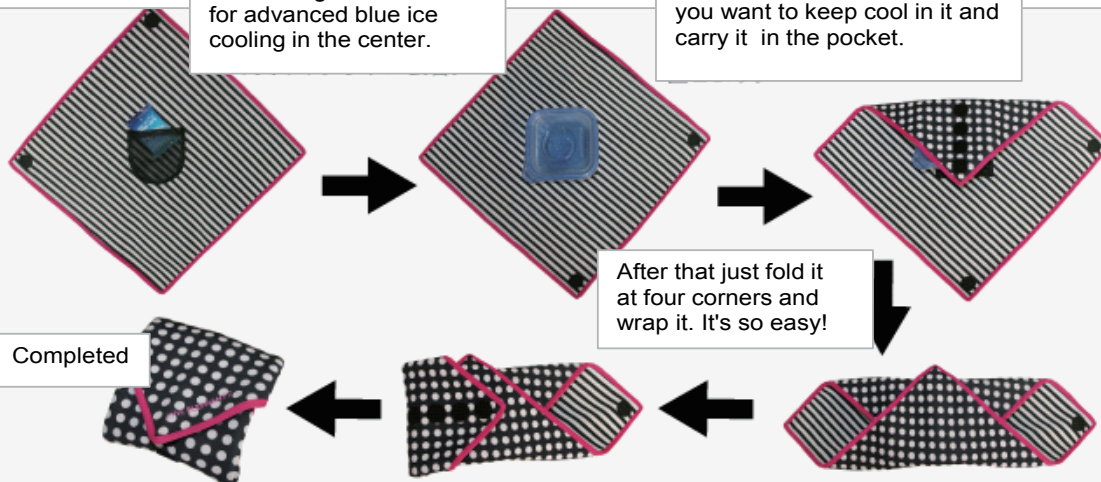

Patent Pending

This item is a variation of "Furoshiki" which are loved from old times. It is designed in a pop pattern with the wet suit material. Using a velcro button, it can secure your valuables tightly, in some easy actions. You can carry it smartly like a clutch bag, when you wrap it. It has the function of the shock absorption with the material of a wet suit and the thickness of 3mm, so that it is good for cameras or tablet PCs. It is also suitable for wrapping travel souvenirs! The efficiency of keeping warm or cool is outstanding. With a pocket which contains a cooler bag and so on, it is most suitable for the wrapping of a lunch box.

Cooler bag attachment for advanced blue ice cooling in the center.

Further more, put anything you want to keep cool in it and carry it in the pocket.

After that just fold it at four corners and wrap it. It's so easy!
